I, Porter H Calvert have the honor to make application for discharge as an enlisted man, in the 11<sup>th</sup> Reg't Ky into Volunteers, Commanded by Col. B. Palace Low, to accept a Commission as Chaplain in Company of said Regiment.

I was enrolled as an enlisted man in Company "K" 11<sup>th</sup> Reg't Ky into Volunteers, by Capt M. Jeff Roark Sept 15<sup>th</sup>, 1861, and mustered into the service of the United States, as an enlisted man Dec 9<sup>th</sup> 1861, by Maj W. H. Sedell, U. S. A.

I was last mustered for pay as an enlisted man Sept 1863 and last paid 30<sup>th</sup> June 1863, by Maj Hoagerty.

I was commissioned as Chaplain by the Governor of Kentucky, the date of my Commission being Sept 25<sup>th</sup> 1863, which was received and accepted by me Sept 28<sup>th</sup> 1863. I entered upon duty as such, Sept 25<sup>th</sup> 1863, by virtue of said Commission, a vacancy existing in said grade of Chaplain in Company same Regiment, caused by the Resignation of Lewis P. Arnold for Chaplain.

I was again Commissioned by the Governor of \_\_\_\_\_ as a \_\_\_\_\_ 186  , the Commission was received and accepted by me \_\_\_\_\_ 186  . I entered upon duty as a \_\_\_\_\_ 186  , by virtue of such Commission there being a vacancy in the same grade in Company \_\_\_\_\_ same Regiment, caused by the \_\_\_\_\_ of \_\_\_\_\_.

I was last paid as a Commissioned Officer by \_\_\_\_\_ up to \_\_\_\_\_ 186  .

The reasons why I have not been discharged and mustered at an earlier date, are as follows :

Dear Friend

I Take pleasure in writing to you a few lines in regard to the forwarding the copy of my Muster in the U.S. Service, as Chaplain in 11<sup>th</sup> Regt Inf<sup>try</sup> Va to the War. dpt. I went to Gen. Schofield Head Quarters and saw them, with respect to whom I should return the copy of my Muster in paper to C. R. G. W. M. Barlett, told me to say to you that he would forward the papers to Washington if he had any chance that he then was on the battle field and had no opportunity that he wanted you to take the papers and to forward them on for him, I said you remarked to me that he ought to send them and the General remarked and he that you would send them up that if he had the chance to send them that they would have to pass through your hands so they said that you would send them on without doubt and for me to send the papers to you so with the order I send to you the true copy of my Muster in papers that I have in my hands for you to forward them to the War Dept. so nothing more only remaining your friend  
P. H. Colvert Chaplain, 11<sup>th</sup> Regt

I, *Porter H. Askeurt*, being duly sworn, do say: That I have performed the duty of *Chaplain* in the *11th* Regiment of *11th Ky* *Volunteers* since the *1st* day of *August*, 1863, by virtue of a commission (or appointment) issued by the Governor of the State of *Kentucky*, bearing date *September 21st* 1863, and received by me on or before the *18th* day of *October*, 1863; (that I have been borne on the Rolls, Returns, and Reports of the said Regiment as a *Chaplain* from the *1st* day of *August*, 1863, to the *present* day of *June*, 1863);\* that a vacancy existed in the grade to which I was commissioned (or appointed) at the time of the receipt of such commission, (or appointment,) caused by the *resignation* of *Lewis A. Arnold*; and that I have made every effort to be mustered into the service of the United States as a *Chaplain* in the said Regiment since the receipt day of *Commission*, 1863, without success till the present time: So help me God.

Sworn to and subscribed before me, } *Porter H. Askeurt*

at *Knoxville Tenn*

I, *J. T. Kinnaird*, *11th Ky* *Colonel*, commanding the *11th* Regiment of *11th Ky* *Volunteers* aforesaid, do solemnly swear that the statement and dates above set forth are correct, to the best of my knowledge and belief: So help me God.

NOTE.—This paragraph, or part of it, as the case may be, will be erased when not required. *11th Ky*

NOTE.—This affidavit should be pasted to the Muster-in Roll to which it belongs.  
NOTE.—The oath may be administered by the Adjutant of a Regiment, Detachment, or Post, a Judge Advocate or Recorder of a Court Martial, or by a civil Magistrate.  
NOTE.—The Mustering Officer will require each candidate for muster into service to exhibit his commission (or appointment) from the Governor of the State to which the Regiment into which he desires to be mustered belongs. No muster will be recognized if made to cover a period in which the officer is borne on the Rolls and Returns of his Regiment as of an inferior grade, or beyond the date of the receipt of his commission (or appointment) from the Governor of the State. If an officer is taken up on a muster roll as of any grade before being mustered into service in that grade, after the promulgation of General Orders, No. 43, of 1863, it is a false muster on the part of the officer making it, and will not be recognized at the Adjutant General's Office or by the Mustering Officer, but will be immediately reported to the Adjutant General.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as *1, 2, &c., &c.*; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

### DIRECTIONS

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

And be it further enacted, That the fees of agents and attorneys for making out and causing to be executed the papers necessary to establish a claim for a pension, bounty, and other allowance before the Pension Office, under this act, shall not exceed the following rates: For making out and causing to be duly executed a declaration by the applicant, with the necessary affidavits, and forwarding the same to the Pension Office, with the requisite correspondence, ten dollars; which sum shall be received by such agent or attorney in full for all services in obtaining such pension, and shall not be demanded or received, in whole or in part, until such pension shall be obtained; and the sixth and seventh sections of an act entitled "An act to grant pensions," approved July [fourteenth,] eighteen hundred and sixty-two, are hereby repealed.

SEC. 13. And be it further enacted, That any agent or attorney who shall, directly or indirectly, demand or receive any greater compensation for his services under this act than is prescribed in the preceding section of this act, or who shall contract or agree to prosecute any claim for a pension, bounty, or other allowance under this act, on the condition that he shall receive a per centum upon any portion of the amount of such claim, or who shall wrongfully withhold from a pensioner or other claimant the whole or any part of the pension or claim allowed and due to such pensioner or claimant, shall be deemed guilty of a high misdemeanor, and, upon conviction thereof, shall, for every such offense, be fined not exceeding three hundred dollars, or imprisoned at hard labor not exceeding two years, or both, according to the circumstances and aggravations of the offense.

Approved July 4, 1864.

NOTE 10.—If any soldier is charged a higher fee than that allowed by the above act, he should report the fact and the name of the agent to the Adjutant General, in order that steps may be taken to have the same refunded.

## FINAL STATEMENT.

OF

Joseph M. Lean P. Co. J.  
11 Reg't of Ky. Vol.

## VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service) that he may at once receive from the Paymaster the pay, &c., due to him, and the captain or other commissioned officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to his discharge," and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sattler and Landress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolment, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or *RECRUIT*), the words *as a veteran*, (or *recruit*), as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran or Recruit Bounty RECEIVED* by the Soldier must be made on the back of each final statement.

(To be used, in duplicate, in all cases of discharge on account of disability.)

From some unknown cause to me he is unfit for duty, the least exertion excites him very much.

DATE: *4*

STATION: *1st Army Medical*  
DATE: *March 8, 1963* *Capt J. F. Kinnaird* Commanding Company.

I CERTIFY, that I have carefully examined the said Baron D Cole of  
 Captain Eugene Kinnard Company, and find him incapable of performing the duties of a soldier  
 because of (Here consult Par. 1360, p. 284 and directions on Form 13, p. 325, Med. Dept. Gen. Reg.) Hypertrophy of  
the heart, with predisposition to frequent attacks  
of Anemia. Light exertion makes him  
nervous and feeble. I believe the disease existed previous  
to his enlistment. J. Kimbly Surgeon.

Head-Quarters, 11<sup>th</sup> Regiment Ky Mt. Volunteers.  
Knoxville Oct 13<sup>th</sup> 1863

I, John G. Hamill have the honor to make application for discharge as  
an enlisted man, in the 11<sup>th</sup> Reg't Ky Mt Volunteers, Commanded by  
Col. S. P. Ford, to accept a Commission as 1<sup>st</sup> Lt in company  
A of said Regiment.

I was enrolled as an enlisted man in Company A 11<sup>th</sup> Reg't Ky Mt Inf  
Volunteers, by Capt E. Z. Kinnaid 3<sup>rd</sup> September, 1861, and  
mustered into the service of the United States, as an enlisted man 9<sup>th</sup> Dec 1861, by  
Maj Seidl, U. S. A.

I was last mustered for pay as an enlisted man 28<sup>th</sup> Feb 1862 and last paid 28<sup>th</sup> Feb  
1862, by Maj Wilson

I was commissioned as a 2<sup>nd</sup> Lt by the Governor of Kentucky, the date of  
my Commission being 24<sup>th</sup> April 1862, which was received and accepted by me 18<sup>th</sup>  
May 1862. I entered upon duty as such, 26<sup>th</sup> April 1862, by virtue  
of said Commission, a vacancy existing in said grade of 2<sup>nd</sup> Lt in Company A same  
Regiment, caused by the Resignation of J. I. Leberry

I was again Commissioned by the Governor of Kentucky as a 1<sup>st</sup> Lieutenant  
26<sup>th</sup> June 1863, the Commission was received and accepted by me 29<sup>th</sup> June 1863.  
I entered upon duty as a 1<sup>st</sup> Lt 26<sup>th</sup> June 1863, by virtue of such  
Commission there being a vacancy in the same grade in Company A same Regiment, caused  
by the Promotion of 1<sup>st</sup> Lt J. M. Egan

I was last paid as a Commissioned Officer by Maj Whitehead up to 31<sup>st</sup> June  
1863.

The reasons why I have not been discharged and mustered at an earlier date, are as follows:  
None except the continual movements  
of Reg't, and a change in Commanding  
Officers, & having been paid as Com'd officer so long did  
not know it was necessary

FINAL STATEMENT

OF  
*Thos J. Donnelly*  
 11th Regt of *Regt Inf. Vols*  
*thruled to B*  
 VOLUNTEERS.  
*Dischd Aug 6 1864*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which do not appear on his final statements from the fact that his descriptive list is destroyed. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss of ~~arms~~ *horses*, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State ~~authorities~~ *authorities*, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laurence must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

States that Samuel Downing  
late a soldier of his regiment deser-  
ted to the enemy in the month of  
February 1862 and that he remai-

surrender & that he claims now  
the benefit of a parole. Asks  
whether this man is entitled to  
exemption from trial on that ground.

I have delayed writing to you  
much longer than I thought I would  
when I saw you last I some time ago  
wrote you enclosing a specimen of the  
Cashmere wool I have since seen the  
gentlemen who own them in this  
County and the price is as follows  
For 15/16 fleece \$1.00 per pair.

" 7/8 " " " "

There is another matter which I  
desire to call your attention, in the  
Month of February 1862 there was a soldier  
belonging to the 11th Ky by the name of  
David Kervring deserted me and went to the  
enemy (Rebels) at Bowling Green Ky and re-  
mained with them until Johnson's march  
on to Genl Sherman and has now returned  
to this County with a parole claiming the benefits  
of it so he is exempt from trial for said desertion.  
I think he should be arrested and tried and

that I should like to see it, come for the  
answer, it Hoping to hear from you soon

**VOLUNTEERS.**

Quid Feb 12. 1864

**NOTE 1.**—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c. due him, and the captain or other COMMANDING officer commanding the company will certify to the act of the delivery of the duplicate certificate; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

**NOTE 2.**—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordinance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 3.—Debt paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Landrum must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.--This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 2.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

# NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

# NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as  $\frac{1}{2}$ ,  $\frac{3}{4}$ , &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor of earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Per. 1860 Regulations, Edij. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

# DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant-General, United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Head Quarters 2<sup>d</sup> Div West of Ky

Memphis Tenn April 15<sup>th</sup> 1864

Dear Sir

Col. A. C. B. Asst. Adjt. Genl

Is directed by the General command  
to say to Col. Maxwell that should  
Col. Maxwell be willing to retract  
the language said to have been  
used, or deny it by publishing  
a letter in which it should appear  
by his language that he was sorry to  
that he should be released and  
return to his Regiment otherwise  
to prefer charges against him  
and pursue the same. Action to be  
reported in either case.

Head-Quarters 2d Division District of Kentucky,

Murfreesville, April 13<sup>th</sup> 1864.

Colonel:

I have been instructed by the General commanding to say that should Capt. Elms. 11<sup>th</sup> reg. be willing to retract the language said to have been used or omit it by publishing a letter, in which it should appear by his language, that he is truly loyal, you can release him and order him to his Regiment. Otherwise prefer charges against him and forward the same. Report your action in either case.

I have the honor to be, Colonel

Very Respectfully

Your Obt. Servt.,

(Signed) E. B. Harlan.

Head-Quarters Second Brigade,  
Second Division District of Kentucky,  
Bowling Green, Ky., April 21st., 1864  
Lieut E. B. Harlan, A. A. S. G.,  
Second Division, District of Kentucky  
Lieutenant:

Captain Elrod of the  
11th Ky. Vol Inftry reported here on Monday last,  
and his Lieutenant Colonel being here, I turned  
the Captain over to him with a statement  
of his unsoldier-like and un-officer-like conduct,  
and they both left that day for their regiment.  
I know Lieut Col. Motley of the 11th to be a  
true soldier and a good officer, and I thought  
it best under the circumstances to turn  
Elrod over to him.

Very respectfully,

C. Maxwell, Col. 26th Ky. Vols.,  
Comd'g Second Brigade

I have been absent at Hopkinsville and other  
places in my command or I would have reported  
before.

Adj. Gen. 20 Brig 30 Div

Maxwell  
Colonel C.

Makes communication  
relative to the arrest  
and release of Capt Elmer  
charged with having uttered  
disloyal sentiments

(When returned)

April 15, 1864.  
A. Elmer  
Capt. W. Key, Vols.

Head-Quarters Second Brigade,  
Second Division District of Kentucky  
Bowling Green, Ky., April 15th, 1864  
Lieut E. B. Harlan, A. S. A. G.,  
Second Division District of Kentucky  
Lieutenant:

Your communication in relation to Captain Elmer was received yesterday evening. On Monday last after I had placed him under arrest, in a conversation with his old regimental Commander, Col. P. B. Hawkins, a true and loyal gentleman, and Capt Hobbs, Provost Marshal of this district, he expressed great regret for what he had said, declared that he meant no harm, and that he was intoxicated at the time. He asked them to see me, and authorized Col. Hawkins to state to me what occurred, and to pledge me that he would do better in future.

Upon the representations of Col. Hawkins, I so far released him from arrest as to permit him to visit his home about nine miles distant from here with the understanding that he would

report here without fail on Wednesday evening, and  
I telegraphed Gen Ewing and asked him to do nothing  
more until he heard from me again. Elrod has  
not yet reported, nor have I heard from him.

Major Houchins of the 11th H. has been here since  
Elrod was placed under arrest, and says that he  
is absent without leave and has been for some time  
past, that he has been drunk so much that he  
has become completely debilitated, and expressed that  
I have the Captain "put through". From all that  
I can learn, Elrod is totally unfit to be a  
Union officer. As soon as he reports, I will  
take action in his case and report.

Very respectfully,

to Maxwell, Co. 26th H. Vol's,

Comd'g the Regt, the Div Dist of H.

Head-Quarters Second Brigade,

Second Division, District of Kentucky,  
Bowling Green, Ky., April 12, 1864

Lieut E. B. Harlan, A. A. S. G.,

Second Division District of Kentucky

Lieutenant:

Captain A Elms

11th Ky. Vol Inftry said yesterday in the presence of  
a considerable number of persons at a public  
house in this place, substantially, that "it was  
more honorable to be dishonorably dismissed  
than to serve as the war is now conducted"  
and that "when the Administration acted  
unconstitutionally as it had done we ought  
to rebel." This having been reported to me  
by a reliable gentleman who was present, I have  
ordered the arrest of Capt Elms, though the duty  
is a painful one to me, for he has been a good  
and brave soldier, but I feel that I cannot  
suffer such disloyal disorganizing, <sup>insubordinate</sup> utterances  
from one who wears our uniforms to go  
unrebuked. Capt Chas. F. Hamway, formerly

of the 18th Ky. Vol Inftry and Robt Brundlow 26th Ky were present when Capt Elms said what has been stated

He says that he has tendered his resignation, but it has not been accepted, and that he is now under a leave for five days given by his brigade commander. I don't think his resignation ought to be accepted, nor do I think he ought to be gratified with what he seems to count, a summary dismissal. These dismissals in my humble judgment do more harm than good, for all such officers as think it "honorable" to be "dishonorably dismissed", whenever they get tired and wish to leave the service, commence babbling insubordination or disloyalty, and under the practice they are at once gratified with a dismissal. It does seem to me some other course ought to be adopted with them. Please instruct me what to do.

Very respectfully,

C. Maxwell, Capt. 26th Ky. Vol's

Cornet's Second Brigade,  
Second Division District of Ky.

NOTATION.

Book mark: 3875 - C - 1884

War Department,  
Adjutant General's Office,

Washington, January 31, 1888.

This man deserted on or about November 1  
1862, but as he returned to the service on or about  
April 1, 1863, under the President's Procla-  
mation dated March 10, 1863, and appears to have  
complied with the conditions thereof (so far as not  
waived by the Government), the charge of desertion  
imposed by his return under the Act of May 19, 1863  
no longer stands against him. The record of the fact  
that he was absent in desertion from on or about  
November 1, 1862, to on or about April  
1, 1863, cannot, however, be expunged.

The record showing his non-payment  
with his company on roll for Jan'y &  
Feb'y. 1863 is cancelled.

The charge of desertion of May 25, 1863  
is annulled since he is discharged to  
date May 25, 1863 to complete his military  
"over"
